Re: MUR# 5638: Confirmation of Deadline Extension

Dear Mr. Jordan:

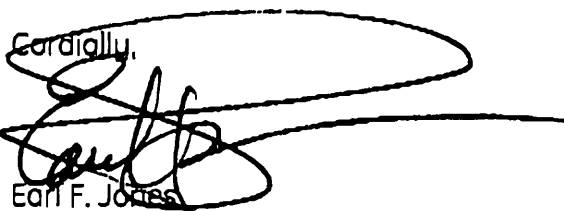

Pursuant to my discussion this morning with Ms. Alva Smith, I'm writing to request a further extension of time for General Electric Company and Walter Casavecchia to file responses in the above matter.

We have gathered the principal facts and are well into drafting responses but would appreciate an additional week to complete our review of cases so that we can more comprehensively formulate responses that we expect will persuade the Commission not to act on the complaint.

We are very grateful for the professional courtesy already extended in your agreement to the initial extension and hope that we are not wearing out our welcome in making this additional request.

Thank you in advance for your consideration of this request

Cordially,

Earl F. Jones
